

Isporuke hrvatskih brodogradilišta / *Croatian Shipyards' Deliveries*

3. MAJ
Rijeka

Isporučen tanker *Palanca Singapore*

Palanca Singapore

U BI 3. maj d.d., Rijeka 27. kolovoza 2013. godine obavljena je treća ovogodišnja isporuka broda i to *Novogradnje 719* – tankera *Palanca Singapore*, nosivosti 15 000 tona. Naručitelj tankera je švedska tvrtka *Wisby Tankers*, a ovo je posljednji iz serije od četiri tankera za istog naručitelja. Brod je namijenjen prijevozu asfalta, nafte i kemikalija. Dugačak je 133 i širok 23 metra. Porinut je 11. veljače 2013. godine, a plovit će pod zastavom Maršalskih Otoka. Građen je pod nadzorom Klasifikacijskog društva *Bureau Veritas*.

Istog dana također su isporučene i prve dvije teglenice za istog naručitelja. Obje su istih značajki, dugačke 59,5 metara, široke 16 metara i ukupno 7,6 metara visoke. Nosivost im je 2450 tona. Posebnost ovih teglenica su izolirani tankovi tereta koji mogu primiti oko 2400 tona asfalta ugrijanog na temperaturu od 180 stupnjeva.

Nakon treće ovogodišnje primopredaje tankera i prvih dviju teglenica, u Knjizi narudžbi BI 3. maj d.d. ostaje za isporučiti još 28 barži za istog naručitelja.

Porinuće i priprema isporuke teglenice u 3. maju
